ABOUT MNL

Municipalities Newfoundland & Labrador (MNL) was formed in 1951 to represent the interests of the growing number of municipal councils in the province. MNL activities such as – delivering economic development workshops, cutting edge research and facilitation of inter-municipal cooperation is conducted, and sector leading membership services are coordinated by professional panel. The multi-year contract awarded to CDW and available to MNL's members features a comprehensive range of technology solutions from CDW's manufacturer partners, we can deliver competitive prices and guaranteed minimum discounts. This all-encompassing contract allows us to lead with the technology solution best suited for your organization.

ABOUT CDW

CDW Canada is a leading provider of technology solutions for business, government, education and healthcare. CDW Canada helps customers achieve their goals by delivering integrated technology solutions and services that help customers navigate an increasingly complex IT market and maximize the return on their technology investment.
