

Councillor Cynthia Downey

I am running for the position of Western Director of MNL.

During the last 28 years I have served as a councillor in the Town of Stephenville Crossing. During that time I have represented the Western Region on the MNL Board.

I have served with FCM as a NL representative for a number of years as a Board member and a Committee member.

During the last 4 years I have served as a Director for Bay St George on the Western Regional Service Board.

I would like the opportunity to represent the City and Towns in the Western Region as your Director.

I respectfully ask for your support for the position of Western Director.
