

Electronic Products Recycling Association

A Municipal Electronics Recycling Partner

About EPRA

- An industry-led, not-for-profit that operates regulated electronics recycling programs across Canada
- Mandated by MMSB since 2013 to oversee a collection and recycling program for EOLE
- Provide residents and businesses with drop off locations where approved EOLE are accepted at no cost
- Only regulated and approved entity in NL to collect electronics
- Extended Producer Responsibility Organization
 - NL Environmental Protection Act
 - Waste Management Regulations
 - Ban on electronics in landfill

Schedule "A"

Effective October 1, 2024

The following obligated products will be accepted for electronics recycling with EPRA Newfoundland and Labrador

Display Devices

Televisions, monitors and all-in-one, flat panel (LCD, LED and plasma) and rear projection.

Desktop Computers

Desktop computers (including those acting as servers) internal components and all bundled keyboards, mice, and cables.

Portable Computers

Includes portable computers such as laptops, netbooks, notebooks and tablets.

Computer Peripherals

Includes both wired and wireless manual input devices such as keyboards, mice and trackballs.

Vehicle Audio/Video Systems (aftermarket)

Includes amplifiers, equalizers, speakers and audio/video components.

Home Theatre In-A-Box (HTB) Systems

Includes pre-packaged disc player/speaker/amplifier systems for use with video or television display to create a home theatre experience.

Home Audio/Video Systems

Includes VCR, DVD and CD players, digital cable and satellite equipment, speakers, amplifiers, receivers, data projectors and similar audio/video systems.

External Storage Drives & Modems

External hard drives, including home media network hard drives and external optical disk drives as well as network-attached storage devices (NAS), external CD-ROM, DVD and Blu-ray drives.

Desktop & Portable Scanners

Includes optical document/image scanning devices that reside on a desktop and portable devices. Including scanners but not limited to business card, cheque, photo negative, ID card as well as portable pen scanners.

Global Positioning System (GPS) Personal Portable & Vehicle (aftermarket)

GPS devices both for personal portable use (sports, leisure etc.) as well as aftermarket systems designed for use in a vehicle.

Desktop Printers/Multi-Function Devices

Printers designed to reside on a work surface, including laser and LED, ink jet, dot matrix, thermal, dye sublimation and "multi-function" copy, scan, fax and print devices. Stand-alone desktop scanners and fax machines are also included in this category.

Personal/Portable Audio/Video Systems

Includes docking speakers, portable stereos, portable CD players, portable audio recorders, tape/radio players, headphones, digital media (MP3) players, voice recorders, digital cameras and video cameras.

Air-Treatment Appliances (Air Conditioners not included)

Includes portable fans with plug, air purifiers, heaters, corded aromatherapy diffusers and humidifiers. Does not include air conditioners.

Personal Care Appliances

Includes hair cutting and drying appliances, tooth care appliances, shavers and massagers.

Devices for Measuring Time & Weight Scales

Including alarm clocks and wall clocks, timers, bathroom scales, food scales and luggage scales.

Floor or Carpet Care Appliances

Includes floor vacuums, carpet cleaners, robotic vacuums, handheld vacuums and stick vacuums.

Phones (Telephones, Cellular & Smart Phone Devices, Pagers)

Includes corded and cordless telephones, as well as telephone answering machines; cellular phones, including those offering camera, video recording and/or audio functions; smartphones (cell-enabled); cell-enabled PDAs utilizing touch-screen technology; cell-enabled handheld devices.

Electronic Readers & Video Game Devices (Consoles, Handheld Devices & Controllers)

Includes personal and portable devices designed primarily for reading digital e-books and periodicals; gaming consoles; handheld gaming devices as well as game controllers and both wired and wireless joysticks.

Appliances & Microwave Ovens for Countertop Cooking

Includes countertop microwave ovens, toasters, toaster ovens, fryers, hot plates, bread makers, induction cookers, pressure cookers, waffle irons, coffee makers, espresso makers and kettles, blenders, mixers, food processors, coffee grinders, juice extractors, food dehydrators, devices for cutting food items, and devices for opening or sealing containers or packages. Please note built-in or over-the-range microwave ovens and microwave/range hood combinations are excluded from the program.

Garment Care Appliances

Includes irons and steam cleaners.

Did you know.....

- There is a provincial ban on disposing electronics in landfill?
- “Electronic goods covered by a stewardship program shall not be disposed to landfill. This material may be collected on behalf of the organization responsible or redirected to an approved collection point.”
- Regulation 85/12 (Electronic Waste) under the Environmental Protection Act

Collection Network

- EPRA has 77 collection sites across the province
- Green Depot Network (select sites)
- Waste Management Authorities
- **Municipalities**
- Return to Retail
- Charitable Organizations/Social Enterprises
- Private businesses
- Special Collections Events

Collection Network in Labrador

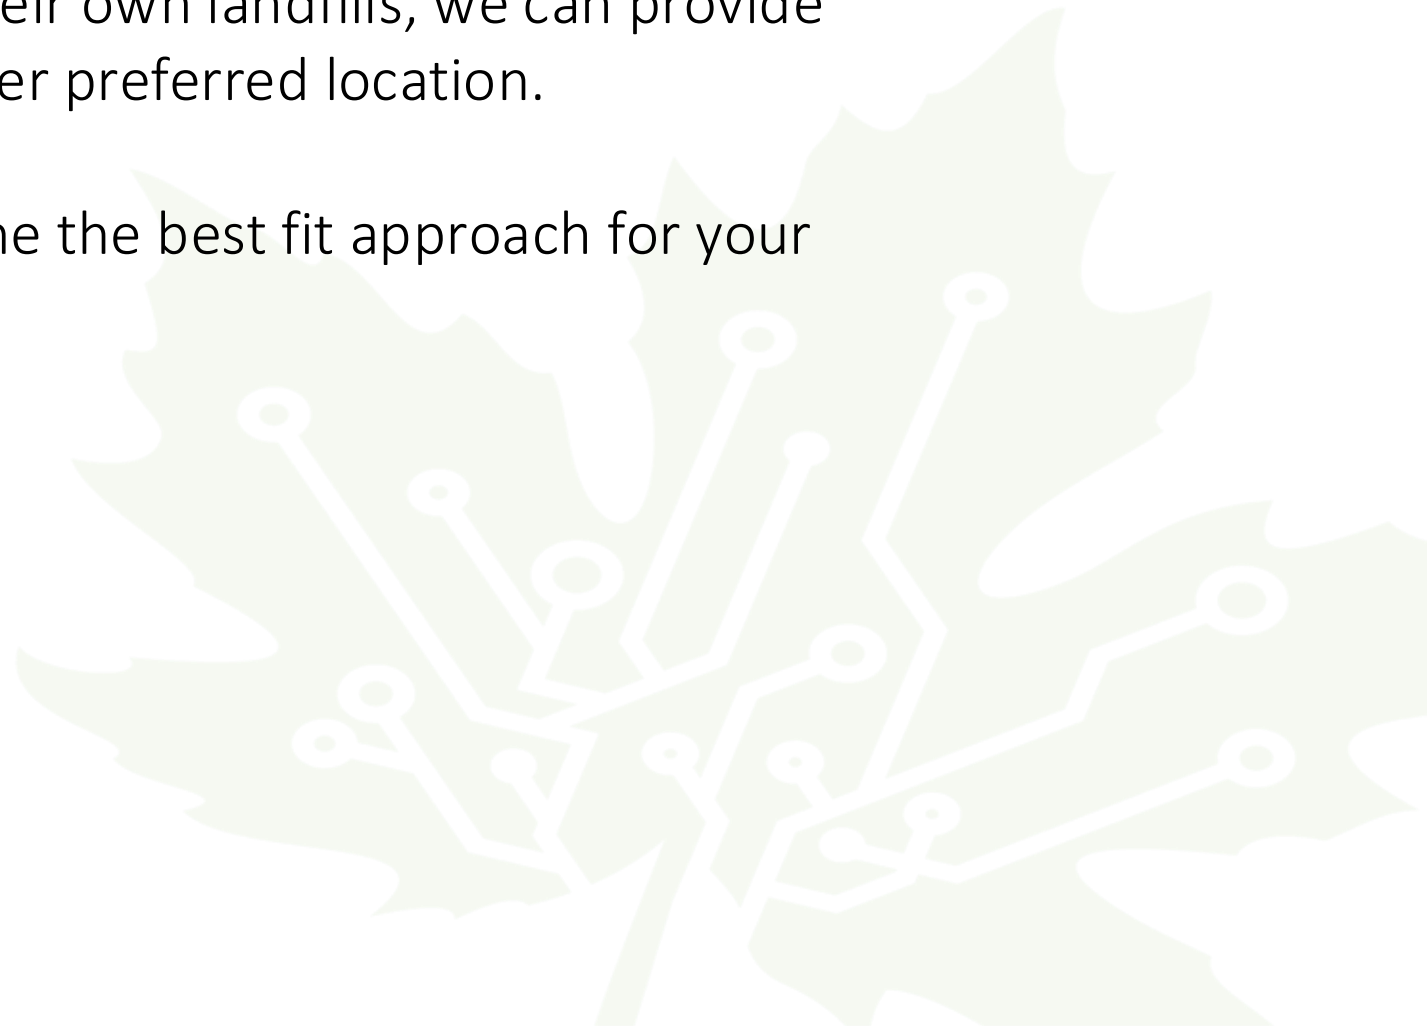

- EPRA has 11 collection sites across Labrador
- Happy Valley-Goose Bay (Green Depot)
- Labrador City/Wabush (Landfill site)
- Forteau (Landfill site)
- L'Anse-au-Loup (Green Depot)
- Charlottetown (Fire Department)
- Coastal Labrador (Nunatsiavut Government)
- Natuashish - Mushuau Innu First Nation

How we work with Municipalities

- For municipalities that still have their own landfills, we can provide collection at the landfill site or other preferred location.
- We can work with you to determine the best fit approach for your municipality.

What Does EPRA Provide?

- Either a 20ft or 40ft sea container to act as a secure storage facility
- Ebags for collection
- External signage for the site
- Pickup services from the collection site
- We can pay for the collected tonnage at a rate of \$215/MT
- We can provide messaging/marketing support

What Does EPRA Provide?

Facebook Marketing

Conclusion

- Free to residents and businesses
- Extends the life of your landfill and helps eliminate illegal dumping
- Reduces municipal waste management costs
- It's a convenient service for residents and businesses
- We are looking for partners and collection sites
